## PROJET 420 TC4

### PERFORMANCE, FUN AND SAFETY

Powered by the combination of an exciting 98 HP turbo charged inboard engine and a hydro jet turbine, the Projet 420 gives top speed of approximately 35 Knts.

### RELIABILITY, LOW MAINTENANCE, RESPECT OF ENVIRONMENTAL REGULATIONS

Its new 4-stroke engine includes a twin loop intercooler system (closed-circuit cooling system). The 4-stroke technology reduces noise and pollution levels.

### EASY STORAGE & LIFTING ON BOARD MOTHERSHIP

Its low profile design and lightweight makes it a perfect fit inside the garage of a yacht.

### IMPROVED TUBE FINISH & RESISTANCE, EASIER TO CLEAN

The Projet 420 benefits from the latest innovation by Zodiac: its buoyancy collar made of **SHARC™ DUOTEX™** fabric is extremely resistant, and particularly easy to clean and maintain.

- ▶ Overall length: 4.20 m / 13'9"
- ▶ Width: 1.90 m / 6'3"
- ▶ Height: 0.93 m / 3'
- ▶ Passengers (max.): 6
- ▶ Engine: 98 hp / 73 kW\*
- ▶ Weight: 410 kg / 903 lbs

\* 104 hp/76,5 kW for the United States

## STANDARD FEATURES

- ▶ Moulded non-skid deck
- ▶ Anchor locker with upholstered cushion
- ▶ Forward locker
- ▶ Mooring ring
- ▶ 2 stern rings
- ▶ Swim platform
- ▶ Telescopic bathing ladder
- ▶ Removable tube system
- ▶ **SHARC™ DUOTEX™** 2 x 1100 decitex fabric
- ▶ Semi-recessed valves
- ▶ 4 aluminium grab handles
- ▶ Passenger handles
- ▶ Large non scuff rubbing strake
- ▶ Reinforced cone ends
- ▶ Reclining console (easy access to the steering wheel) with:
  - Adjustable steering wheel
  - Boarding step
  - Switch panel (2 breakers)
  - Multifunction instrumentation with: speedometer, hour/meter display, oil and fuel gauge with warning indicators
  - Sunglass bin
- ▶ 2 beverage holders
- ▶ Bow rail
- ▶ Recess for extinguisher
- ▶ Double pilot/copilot seat with collapsible back rest
- ▶ Double bench seat
- ▶ Built-in fuel tank under passenger seat (55 litres/14.5 US gal)
- ▶ Rear locker
- ▶ Navigation lights
- ▶ Ski hook
- ▶ 4 lifting points
- ▶ 3 mooring cleats
- ▶ Battery
- ▶ Motor bilge pump
- ▶ Bilge blower
- ▶ 2 collapsible paddles
- ▶ Foot pump
- ▶ Repair kit
- ▶ Owner's manual
- ▶ Valve cap pressure gauge

### ENGINE

- ▶ Motor: 98 hp, turbocharged 4-stroke, closed circuit liquid cooling system
- ▶ Freshwater rinsing kit

## OPTIONAL FEATURES

- ▶ Overall cover
- ▶ Teak deck
- ▶ Lifting sling kit
- ▶ Loudspeakers
- ▶ Boarding pole
