

## THE REDBACK RANGE OF INFLATABLE BOATS PROUDLY BUILT IN AUSTRALIA

THE REDBACK RANGE EMBODIES THE HIGHEST QUALITY WORKMANSHIP AND DESIGN  
MAKING IT A FIRST CHOICE FOR EXPERIENCED SAILORS.

# Flyweight

2.4 to 3.1 METRES

EASY TO ROW  
SUPERB HANDLING  
DRY STABLE RIDE

This Australian range of boats has been developed as a result of many years experience in the world of rigid inflatables. Features include reinforced transoms, for strength and durability and extra large tubes to ensure a dry and comfortable ride.

FLYWEIGHT		SPECIFICATIONS						STINGER

MADE IN AUSTRALIA  
WITH A 5 YEAR GUARANTEE

Redback offers you a competitively priced well-engineered RIB. You could choose the superlight Flyweight or the sportier Stinger (with its full-length self-draining floor). The Venom starting at 3.4 metres is a sporty RIB with loads of room for all the family. Whichever Redback you choose you're guaranteed to be a winner.
